Can't decide? Let us pick for you. 5 blooming size novelty plants for \$100.00

All prices are in USD for US orders, and CAD for Canadian orders. The difference in exchange helps me to offset the cost of the PHYTO and CITES paperwork.

Pictures of most of these plants can be found online with a Google image search, or our pictures on our Facebook page "Kingfisher Orchids".

If you would like more information regarding a plant which can include a picture of the actual plant you would be ordering, please feel free to contact me at kingfisherorchids@gmail.com or on my home phone in the evenings at 250-656-3094. I also have many other plants with only one or two available, so if you are interested in something that you don't see here, please do not hesitate to ask.

Enjoy! Pat and Cathy
